

# 2020 Glow Catalog

*If you're looking for fun and you've searched high and low, we know a way to make the excitement grow. Whether for your art show, or just for play, let us help you brighten your day. You've come to the right place, as you now know. The answer is simple—just let it GLOW!*

Glow Parties, sometimes called black light parties, are all the rage! From the art room to the classroom and beyond, here you'll find everything you need to make your next art show, party or special event shine.

*Please note that not all colors of the items listed will glow, or glow at the same intensity under black light, but most do. Please refer to the "It Glows!" column so you know which colors react to black light.*

## Art Mediums

We offer a wide array of paints, tempera sticks, colored pencils and highlighters that will make your creations come to life! Draw, brush or splatter and imagine the excitement when you see every application explode in brilliant, glowing color.
