Steps:

1. Following instructions on Locker Notes template, cut pieces out of 4-5 different coordinating colors of Pacon® Construction Paper. (Note: The colors used on the project pictured here came from the Tru-Ray® Cool Assortment.) Use scalloped decorative scissors on outer most layer to give your project a decorative edge.

2. Layer pieces on top of one another and glue together. (Note: The GoWrite!® Dry Erase Sheets have a full adhesive backing and do not need to be glued, just remove the protective sheet from the back and stick it down.)

3. Tie 15" of Trait-tex® 4-Ply Jumbo Roving Yarn in a coordinating color to a dry erase marker, and tape to the back of your Locker Notes. Add your name to the top, and your Locker Notes are ready to go
