

Origami Fish Pin

Materials:

- Riverside 3D™ Construction Paper
- Creativity Street® Peel & Stick Wiggle Eyes
- Self-Adhesive Pin Back

Steps: Start with a 6" x 6" square sheet of Riverside 3D™ Construction Paper. Follow step-by-step instructions below.

5

Pop center up, then push in sides to create a triangle.

6

Lay flat and rotate 90 degrees.

7

Using point A as a pivot point, fold lower corner to point B. Crease.

(Your origami should look like this.)

8

Unfold.

9

Fold top edge down and line it up with creased line from Step 7. Crease.

(Your origami should look like this.)

10

Fold bottom flap up over top flap.

11

This is the backside of the fish. (Add self-adhesive pin back now or after you are done decorating.) Flip over.

12

Decorate front side!
